## Perder es cuestión de método (Spanish Edition) Santiago Gamboa

Una llamada de la policía no es un acontecimiento sobresaliente en la vida del periodista Víctor Silampa. Sin embargo, ésta en particular habrá de resultar extramadamente perturbadora, no sólo por la brutal naturaleza del crimen -un cadáver empalado en las afueras de Bogotá-, sino porque en el curso de la investigación toda su vida dará un vuelco inesperado.

Con *Perder es cuestión de método*, Santiago Gamboa se adentra en un género que combina novela negra, novelas de aventuras y críticasocial; el resultado es una obra que se aleja del tópico informativo para ofrecernos una visión de Colombia que deja a un lado las causas concretas de la violencia y la corrupción en este país, como el narcotráfico o la guerrilla, para tratar estos temas desde su universalidad.

«Vale la pena leer esta novela, aunque, como todas las buenas novelas negras, duela un poco.»  
Rosa Mora, *El País*
