Deep in the heart of Loralin Forest, folks whisper of the crowharrow, an immortal predator with the body of a male god, towering black wings and the claws and fangs of a mountain cat. A legend, they say. But the wise know differently.

In a cottage surrounded by gardens lives Tansel, a young woman with a healer's hand. Sheltered by solitude, innocence, and the secrets of three generations of troubled wizards, she does not understand why, during a personal crisis, a mysterious mage named Caelfar takes her away from her home under a premise of protection. But her aunt Aradia, a witch, has been waiting. She knows a terrible secret involving Caelfar and the crowharrow, a diabolical seducer and destroyer of women. When the beast casts its spell on Tansel, only Aradia knows what it means.

The subsequent arrival of two powerful wizards whom Caelfar summons for help, and her long-lost shady father, ushers Tansel to the end of her innocence. Sheltered by the wilds her entire life, she is ill prepared to deal with the intensity of an immortal seduction spell, let alone the long shadows of wizards and the complexities of family politics. Crazy with awakened desire, she is captured by the crowharrow, setting off a whirlwind of peril, deception, and upheaval that eventually uncovers a devastating connection between the crowharrow and Caelfar's bloodline. To heal this curse, Tansel must discover her true roots and destiny as a healer.
