Something is haunting Megan...

She had seen Scarborough House only in her dreams. Now Megan was here, visiting the grandmother she'd never met, and her newfound cousin Matt, too handsome by far, who wanted her to disappear. Grandmother was so cold, so distant. Why did she finally reach out to Megan after all these years? And why was Matt so determined to call her his "almost" cousin? For all her prophetic dreams, nothing could have prepared Megan for Matt's astonishment when he first saw her...or the reaction of perfect strangers who looked at her with fascination -- and fear...

Megan thought she knew who she was. Until she came to Grandmother's house. Until she met Matt, who angered and attracted her as no boy had ever done before. Then she began having dreams again, of a life she never lived, a love she never knew...a secret that threatened to drive her to the grave.
