Managing Your Placement: A Skills Based Approach Ian Herbert, Andrew Rothwell

Managing Your Placement provides business and management undergraduates with a comprehensive guide to making the most of the opportunities available to them on a work placement. The book will guide students through everything, from the questions to ask to admission tutors on university open days, to selecting the best placement and securing a job upon graduation. Managing Your Placement will provide business students with the tools to assess their own skills and critically evaluate their career options. A must read for anyone about to embark upon a business course in Higher Education, about to make a placement selection or looking for their first job after graduation.
