### **??? Excerpt:**

Jake wondered if her lips always been so rosy and ready to be kissed. Had she gotten taller? She seemed to be ten-feet tall today and absolutely, positively ravishing. He had no idea with the right clothes and hairstyle that Anna would morph from attractive into a drop-dead knockout.

He escorted her to the sidewalk in front of the library, his hands shoved deep in his pockets to keep from touching her.

Jake didn't know what had come over him but he was beginning to fear it was something fatal. He couldn't breathe, couldn't think, his stomach hurt, and his heart pounded - the same thing that happened every time he found himself this close to Anna.
