Norene Webster is too smart—and jaded—to expect life to imitate art. In fact, the divorced romance novelist has just about given up on finding the man of her dreams. But when she's asked to deliver a package to an anonymous person in Barbados, her imagination is sparked. And she's more than a little intrigued by Michael Vaughn, the handsome stranger she meets on the cruise ship. Except this tall, dark and so-hot brother may not be who he seems....

One final mission, and Michael's covert career is history. Now, Norene could compromise his latest undercover gig. The last thing he wants to do is expose this sexy lady to danger. But will he lose her once she discovers who he really is? Or will their passionate love story have a happy ending after all?
