## **Portals** Barry M Vass

In the year 2075, overpopulation has grown to unprecedented levels and unemployment is approaching 50%. Oil and most other natural resources on Earth are long gone, and forced colonization to other galaxies becomes the law of the land. In the midst of all this, a group of would-be prospectors crash-land on a distant planet, in another galaxy, and, with no real hope of rescue, begin to explore their hostile new world. And what they find amazes them.
