Manlio Graziano

The Failure of Italian Nationhood: The Geopolitics of a Troubled Identity (Italian and Italian American Studies) Manlio Graziano

This book explains Italy's endless political instability and its historical, cultural and economic roots. It also illustrates why, even after the creation of the Italian state, Italy was never really unified. Piero Gobetti described fascism once as the "autobiography" of the Italian nation. This book explains why today it is possible to describe "berlusconism" - a cultural, political and social phenomenon in Italy- as the most recent version of this country's autobiography.
