The Grand Design: A Meditation on Creativity, Ambition, and Building A Personal Mythology (The Meditations Book 3) James A. Owen

"This book brings together all of the ideas I explored with the previous volumes in The Meditations series (Drawing out the Dragons and The Barbizon Diaries) about all of the things I know and believe are most important in choosing to live an extraordinary life. Significance is a choice, and the extraordinary can always be chosen. That's everything. And that's all." – James A. Owen
