## **A Journey In Other Worlds: A Romance of the Future** John Jacob Astor IV

*A Journey in Other Worlds: A Romance of the Future* was written by John Jacob Astor IV, who perished aboard the Titanic in April 1912. Published in 1894, *A Journey in Other Worlds* is a fictional account of life in the year 2000, speculating about such outlandish things as solar power, space travel, and a worldwide telephone network. Seeking other habitable planets, the spaceship Callisto embarks on a tour of the solar system that takes it to Jupiter, a wilderness paradise, and Saturn, where secrets about the fate of man are revealed. Both wildly imaginative and oddly prescient, *A Journey in Other Worlds* gives remarkable insight into how the future was viewed at the cusp of the 19th and 20th centuries.
