Department of Defense

This Manual is reissued under the authority of DoD Directive 8910.1, "Management and Control of Information Requirements," June 11, 1993. It provides guidance to program managers and action officers who need to obtain information from the public, other Federal Agencies, or the DoD Components and provides them with the procedures necessary to license their information requirements. It also provides guidance to assist information management control officers on the operation of their reports management programs.
