## **Multiple Selves, Multiple Voices: Working with Trauma, Violation and Dissociation (Wiley Series in Clinical Psychology) Phil Mollon**

The book draws upon the exciting and illuminating understanding of trauma and dissociation that has developed within the last decade and shows how this can transform our view of many severe personality disorders. MPD is presented as a disorder based upon trauma and pretence - a pretence which structures the personality. The author explores the implications of working with personalities structured around trauma and pretence. The many complex and bewildering aspects of the therapeutic process are discussed.
