MY WAY- MAY THE 4th BE WITH YOU!

Greetings earthlings and Happy Star Wars day. Welcome to MY WAY, May The 4th Be With You. My world. If you like exploring SCIENCE FICTION, then you have safely landed on the right planet.

‘My Way – May the 4th Be With You’ is a book that is guaranteed to launch the reader to close encounters with out of this world science fiction authors who are on another planet with their writing. I am over the moon to have such down to earth authors to be included in the latest fantastic fourth edition of the MY WAY series and who are supporting me in my first step to promoting authors in their respective genres. This particular genre has been a giant leap for myself and mankind alike.

If you haven’t read SCI-FI before then I hope the data content within this hi-tech book will not be too alien to you, as this galaxy of sci fi stars have expended generous levels of oxygen using their imaginations to rocket their fans to travel by the speed of light into another world.

So you earthlings, let's blast off and countdown the ten authors who will blow your mind into space. After all, it isn't rocket science!

The first author and in alphabetic order who has been beamed up to give you their own big bang theory is, after me, 10, 9, 8, 7, 6, 5, 4, 3, 2, 1.....

The Shooting Stars Are:

Michael L Brackman

Harrison Davies

Alex Fayman

Jonathon Fletcher

Arlene Lagos

Steve Mcellistrem

Kyle Robertson

Theresa Snyder

David Stevens

Richard A Valicek
