Paths of Glory: The French Army 1914-1918

Anthony Clayton

Paths of Glory: The French Army 1914-1918 Anthony Clayton

A world-famous expert on the French military provides a major contribution to our understanding of World War I. He reveals why and how the French army fought as it did, with profiles of the senior commanders--Joffre, Pétain, Nivelle, and Foch--and analyzes the major campaigns on the Western Front, the Near East and Africa. There are details on the trenches, the makeup and performance of colonial armies, the mutinies of 1917, and how, ultimately, the wartime experience helped shape the nation.
