Ormai un grandissimo numero di persone in occidente conosce l'efficacia terapeutica dello Shiatsu, un antico metodo giapponese di pressione con le dita sui punti vitali dell'agopuntura.

Lo Shiatsu rilassa, da energia, rende più giovani, libera il corpo e lo spirito dalle nevrosi e dalla stanchezza; aiuta a risolvere problemi di mal di testa, di artrite e di impotenza e tanti altri semplicemente massaggiando determinati punti con una tecnica specifica.

Questo libro ha due scopi: offrire un manuale pratico utilizzabile da chiunque e aiutare a usare lo Shiatsu in modo preventivo, cioè come una costante abitudine a tenere in forma il corpo prima che si manifestino i malesseri e le malattie.
