**A funny, mischievous and lively book that has immense appeal both as a read-aloud and as a read-alone.** Stevie and Joeli always have important things to tell each other. But sometimes keeping your lips zipped and your thoughts to yourself in class is just too hard. How will they get around the *No talking* rule? Or the *All mobiles must be left on the teacher's desk during lessons* rule? Or Miss Hall? Not how will they get around Miss Hall. She is easy to get around. Except in a doorway. Or a narrow hall. But how will they get around the *problem* of Miss Hall? Luckily Stevie and Joeli have a plan. And it works nearly almost some of the time. Written in 'note' form for junior readers.
