Natalia [et.al.] Nai

El revés del día (Pajarito de Agua) (Spanish Edition) Natalia [et.al.] Nai

En estos cuentos está la posibilidad de espiar algo de lo que escriben cinco jóvenes narradores de nuestra provincia. Tres de los relatos hablan de un crimen. O de varios. En uno de ellos aparece, descarnadamente, la violencia que atraviesa lo social –el trabajo y sus precariedades– y lo íntimo –los horrores que a veces suceden puertas adentro–. La violencia política también está presente. Hay un viaje que se convierte en la “última etapa” de un duelo. Hay una tropilla de miedos que sale invadiendo el paisaje. Hay transformaciones. Este libro presenta los trabajos ganadores del II Festival Internacional de Literatura de Córdoba. El eje narrativo propuesto fue: “La literatura, espía de la realidad”, e intenta servir de enlace entre los lectores y estos nuevos narradores.
