Pedro José Rodríguez Benítez

Hambre De Tierras (Territorio Canario) (Spanish Edition) Pedro José Rodríguez Benítez

Hambre de tierras es una monografía que recoge los dos primeros capítulos de la memoria de licenciatura defendida en la Facultad de Geografía e Historia de la Universidad de La Laguna por el autor en el año 2002, un trabajo de investigación historiográfica que estudia el proceso de expansión de las tierras cultivadas en La Palma a costa de usurpaciones de tierras concejiles en el siglo XVIII, un fenómeno que se produjo, asimismo, en otras islas. En Canarias, y desde luego en La Palma, la privatización de tierras estuvo asociada a la larga depresión de la agricultura vinícola desde principios del setecientos y a la perentoria necesidad de conseguir un mayor grado de aprovisionamiento alimentario.
