La solución (Empresa) (Spanish Edition) Josef Ajram

Frente a la actual situación de crisis económica y desconcierto generalizado, la pregunta clave es: «¿Pero se puede hacer alguna cosa?». La presente obra no es un tratado de macroeconomía ni un manual de teoría económica. Los mercados financieros actúan tan velozmente que son capaces de provocar que las políticas correctas que han de llevarse a la práctica no lleguen a tiempo. El autor, con una dilatada experiencia como day-trader, lo cual le proporciona una óptica privilegiada sobre el funcionamiento de las finanzas, analiza lo que está sucediendo, dónde radica el problema y cómo salir del atolladero.
