Len Barnhart

Reino de los zombis, El (Eclipse) (Spanish Edition) Len Barnhart

UN CUENTO APOCALÍPTICO DE AMOR, SUPERVIVENCIA Y HEROÍSMO ANTE EL MAYOR RETO AL QUE PUEDE ENFRENTARSE LA HUMANIDAD

«Bourne, Moody, Wellington, Brooks... Todos ellos se sumaron al carro de la moda zombi en el siglo XXI, pero autores como Len Barnhart son los que han mantenido vivo el género desde Romero hasta nuestros días.» —*Reader Views*

«Siento un gran respeto por autores como Len Barnhart, que ya escribía sobre zombis antes de que se convirtiera en una moda.» —*Max Brooks*

«El argumento está magníficamente urdido y mete a los supervivientes en una lucha desesperada y violenta contra una plaga de zombis, así como contra sus mismos congéneres.» —*Dark Realms Magazine*

«Uno de los grandes aciertos de este libro es que Barnhart se basa en los vivos, y no en los muertos, para construir su historia. Los sentimientos, miedos y ambiciones que mueven a los personajes son lo que hace avanzar la trama.» —*Blood Type*

Sinopsis: Por culpa de un extraño virus los recién fallecidos se levantan con un deseo insaciable de comerse a los vivos. La epidemia se extiende por todo el mundo y alcanza rápidamente proporciones catas-tróficas, la civilización se derrumba bajo el peso de un horror sin igual en toda la historia humana. Los supervivientes refugiados en un centro de salvamento deben trabajar juntos para encontrar la forma de sobrevivir a la pesadilla que están viviendo, pero el tiempo se les acaba y los cadáveres reanimados que llenan las calles y los aparcamientos de nuestras ciudades no son el único peligro.
