Midnight Garden, #1

Sparks fly under the full moon in paranormal suburbia.

Vampire Alexandria Cartwright believes she's found the perfect home in paranormal suburbia. An independent young woman and professional financial adviser, Alexi needs help from no man, human or paranormal. Until burglars break into her house and steal her most valuable possession--one which could lead to her demise.

Werewolf Gregory Holmes is instantly attracted to his new neighbor and wants nothing more than to protect her from any who would seek to harm her. Helping Alexi recover her stolen safe seems to be the perfect opportunity to show her how he feels.

Centuries of experience have shown Alexi all men are greedy pigs who only think with the brain below their belt. But as Greg comes to her aid repeatedly, she wonders if he's the real deal. Can she overcome her loathing for men? Can Greg break through the wall she's built to show her the meaning of love?
