Labor Regulation in a Global Economy (Issues in Work and Human Resources (Hardcover)) George Tsogas

This work categorizes and comprehensively analyzes all of the practical aspects of international labour regulation for researchers and students of human resource management (HRM). It offers realistic policy guidelines for non-academic HRM practitioners, non governmental organizations (NGOs), trade unions and governments. The book focuses primarily upon the issues, organizations and individuals in the US that influence labour regulation - NAFTA, the US GSP programme, trade unions, activists and "grass roots" movements. Major attention is also given to corresponding European Union and International Labour Organisation issues, organizations and individuals.
