## **Papago Woman** Ruth M. Underhill

A valued classic by a foremost female anthropologist! Underhill's fine ethnographic work gives us at least a glimpse into a time that will not come again, yet a time that will forever shape the future. Her approach is reverential, without being too sentimental. The study of culture is enriched by Underhill's writings, and the life history presented in Papago Woman stands clear as an excellent example of her devotion to her subject.
