Veronica's Grave: A Daughter's Memoir

Barbara Bracht Donsky

Veronica's Grave: A Daughter's Memoir Barbara Bracht Donsky

When Barbara Bracht's mother disappears, she is left a confused child whose blue-collar father is intent upon erasing any memory of her mother. Forced to keep the secret of her mother's existence from her younger brother, Barbara struggles to keep from being crushed under the weight of family secrets as she comes of age and tries to educate herself, despite her father's stance against women's education.

The story is not only of loss and resilience, but one showing the power of literature—from *Little Orphan Annie* to *Prince Valiant* to the incomparable *Nancy Drew*—to offer hope where there is little.

Told with true literary sensibility, this captivating memoir asks us to consider what it is that parents owe their children, and how far a child need go to make things right for her family.
