The Collected Poems

Zbigniew Herbert

The Collected Poems Zbigniew Herbert

This outstanding new translation brings a uniformity of voice to Zbigniew Herbert's entire poetic output, from his first book of poems, *String of Light*, in 1956, to his final volume, previously unpublished in English, *Epilogue Of the Storm. Collected Poems: 1956-1998*, as Joseph Brodsky said of Herbert's *SSelected Poems*, is "bound for a much longer haul than any of us can anticipate." He continues, "For Zbigniew Herbert's poetry adds to the biography of civilization the sensibility of a man not defeated by the century that has been most thorough, most effective in dehumanization of the species. Herbert's irony, his austere reserve and his compassion, the lucidity of his lyricism, the intensity of his sentiment toward classical antiquity, are not just trappings of a modern poet, but the necessary armor—in his case well-tempered and shining indeed—for man not to be crushed by the onslaught of reality. By offering to his readers neither aesthetic nor ethical discount, this poet, in fact, saves them from that poverty which every form of human evil finds so congenial. As long as the species exists, this book will be timely."
