Want to improve your village? Your town? Your city? A community planning event may be just what you have been waiting for. All over the world people are organizing dynamic collaborative events to improve their surroundings. For a few intensive days, everyone concerned gets an opportunity to have their say and be involved - residents, businesses, professionals and politicians. It's effective and it's fun.

From Nick Wates, author of the hugely successful Community Planning Handbook, comes this Event Manual, the first on the subject, which explains why and how to organize community planning events. The book is aimed at anyone - from concerned individuals to community groups to professional planners in business and government - interested in the remarkable potential of community planning events. It includes a step-by-step guide, detailed checklists and other tools for event organisers. The method is user-friendly, flexible and easy to employ in any context from small neighbourhood improvements to major infrastructure and construction projects anywhere in the world.

With a Foreword by HRH The Prince of Wales and Introduction by John Thompson.
