'Ms. Lodge Goes to Washington'

Veronica meets President Obama in this very special issue! When the teens go to Washington on a class trip, they visit all the historic sites, including the Washington Monument, Lincoln Memorial, and more! They also have an opportunity to meet President Obama in a question and answer session. Taking the President's message about job creation to heart, Veronica puts Archie to work at Lodge Mansion - conveniently forgetting to tell her dad! She also gives Betty a job, strictly to keep her away from Archie! Will Veronica help stimulate the economy, or will she merely help stimulate her father's anger?
