## **An Ordered Life by G. H. Lang** G. H. Lang

G. H. Lang was a remarkable Bible teacher, preacher and writer of a past generation who should not be forgotten by today's Christians. He inherited the spiritual "mantle" of such giants in the faith as George Müller, Anthony Norris Groves and other notable saints among the early Brethren movement. He traveled all over the world with no fixed means of support other than prayer and faith and no church or other organization to depend on. Like Mr. Müller before him, he told his needs to no one but God. Many times his faith was tried to the limit, as funds for the next part of his journey arrived only at the last minute and from unexpected sources. This autobiography traces in precise detail the dealings of God with his soul, from the day of his conversion at the tender age of seven, through the twilight years when bodily infirmity restricted most of his former activities. You will be amazed, as you read these pages, to see how quickly and continually a soul can grow in grace and in the knowledge of spiritual things if they will wholly follow the Lord. Horace Bushnell once wrote that every man's life is a plan of God, and that it's our duty as human beings to find and follow that plan. As Mr. Lang looks back over his long and varied life in the pages of this book, he frequently points out the many times God prepared him in the present for some future work or role. Spiritual life applications abound throughout the book, making it not just a life story but a spiritual training manual of sorts. Preachers will find sermon starters and illustrations in every chapter. Readers of all kinds will benefit from this close-up view of the dealings of God with the soul of one who made it his life's business to follow the Lamb wherever He should lead.
