## Childhood and youth (Moral panics in theory and practice)

Childhood and youth have often been the targets of moral panic rhetoric. This Byte explores a series of pressing concerns about young people: child abuse, child pornography, child sexual exploitation, child trafficking and the concept of childhood. With an appraisal of the work of the influential thinker, Geoffrey Pearson, who wrote on deviance and young people, it draws attention to the moralising within these discourses and asks how we might do things differently.
