Dim Wit: The Funniest, Stupidest Things Ever Said Rosemarie Jarski

'They misuderestimated me' George W. Bush

Einstein said only two things are infinite - the universe and human stupidity. So in deference to the dumbing down of our culture, comes *Dim Wit* - a collection of the most jaw-droppingly stupid things ever said. The cast includes every famous foot-in-mouther from George W Bush to Prince Philip, Paris Hilton to Jade Goody, not to mention hundreds of unsung idiots plucked from villages the world over.

The result is a confederacy of dunces more pro-fun than profound - a clever witticism may coax an inward smile but it takes a really stupid remark to deliver a belly laugh. So pick up *Dim Wit* and prepare to embrace your inner moron - it may be the smartest thing you do...

'My grandma overheard two women talking in a doctor's surgery. After a while, one said to the other, "Do you know, Mary, I don't feel too well. I think I'll go home."' - Robyn Jankel

'I don't think anyone should write his autobiography until after he's dead.' - Samuel Goldwyn

'Winston Churchill? Wasn't he the first black President of America? There's a statue of him near me - that's black.' - Danielle Lloyd
