## Entre actos (Spanish Edition) Virginia Woolf

Última novela de Virginia Woolf, *Entre actos* es la obra que la autora escribió antes de suicidarse, en 1941. Fue publicada póstumamente y enseguida se consideró una obra maestra, la quintaesencia de su carrera novelística, una de las aportaciones más brillantes y decisivas a la literatura europea del siglo XX.

La historia transcurre durante el verano de 1939 en Pointz Hall, la casa de campo de la familia Oliver desde hace más de un siglo. El principal evento de la novela es la representación de la obra teatral que todos los años se organiza en el pueblo, escrita y dirigida esta vez por la vehemente señorita La Trobe, que refleja la historia de Inglaterra desde la Edad Media hasta los días previos al estallido de la Segunda Guerra Mundial. Presente y pasado, la historia más lejana y la historia que está a punto de ocurrir, el mundo remoto y el mundo que ya empieza a desaparecer se entrelazan en esta prodigiosa novela, el último acto de una de las representaciones literarias más poderosas, valientes y perdurables de todos los tiempos.
