**Jennie** Douglas Preston

On a research trip to West Africa, Dr. Hugo Archibald of the Boston Museum of Natural History encounters an orphaned baby chimpanzee. Archibald decides to bring the ape, whom he names Jennie, back to Boston and raise her alongside his own two young children as a kind of scientific experiment.

Jennie captures the hearts of everyone she encounters. She believes herself to be a human being. She does almost everything a human child can, from riding a tricycle to fighting over the television with her siblings to communicating in American Sign Language.

Told from shifting points of view of those closest to Jennie, this heartwarming and bittersweet novel forces us to take a closer look at the species that shares 98 percent of our DNA and ask ourselves the question: What does it really mean to be human?

Douglas Preston's *Jennie*, based on the real story of the chimpanzee who inspired Curious George, is the celebrated novel that was made into the award-winning Disney television film *The Jennie Project*. It was translated into many languages and became a worldwide bestseller.

### **From reader reviews:**

#### **Nancy Adams:**

Why don't make it to be your habit? Right now, try to prepare your time to do the important behave, like looking for your favorite guide and reading a book. Beside you can solve your condition; you can add your knowledge by the publication entitled Jennie. Try to make book Jennie as your good friend. It means that it can to be your friend when you really feel alone and beside that of course make you smarter than in the past. Yeah, it is very fortunated for you. The book makes you far more confidence because you can know almost everything by the book. So , let us make new experience in addition to knowledge with this book.

#### **Ivan Caputo:**

What do you regarding book? It is not important with you? Or just adding material if you want something to explain what yours problem? How about your free time? Or are you busy person? If you don't have spare time to complete others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? All people has many questions above. They need to answer that question because just their can do that will. It said that about e-book. Book is familiar in each person. Yes, it is suitable. Because start from on guardería until university need that Jennie to read.

#### **Janet Huynh:**

Reading a book tends to be new life style in this era globalization. With reading you can get a lot of information that will give you benefit in your life. Together with book everyone in this world may share their idea. Guides can also inspire a lot of people. A lot of author can inspire their particular reader with their story or even their experience. Not only the story that share in the textbooks. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach children, there are many kinds of book that exist now. The authors on earth always try to improve their expertise in writing, they also doing some analysis before they write for their book. One of them is this Jennie.

#### **Jose Williams:**

This Jennie is great book for you because the content that is full of information for you who else always deal with world and still have to make decision every minute. This book reveal it info accurately using great plan word or we can claim no rambling sentences inside. So if you are read the item hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but challenging core information with lovely delivering sentences. Having Jennie in your hand like getting the world in your arm, details in it is not ridiculous 1. We can say that no reserve that offer you world within ten or fifteen small right but this guide already do that. So , it is good reading book. Hey Mr. and Mrs. hectic do you still doubt in which?
