James R. Benn

Souvenir James R. Benn

Secrets trail an American soldier from his Depression upbringing to the cold winter battles in the Ardennes Forest in the last months of World War II, and through the postwar decades, as he struggles to keep his family from being torn apart while keeping the truth buried close to his heart. Clay Brock, proprietor of Jake's Tavern, has endured terrible losses throughout his life. In 1964, he is working to build a life for his wife and son, only to see everything he has worked for threatened by forces beyond his control. To keep his family from breaking apart, he must confront the very secret he has kept buried. For Clay, the war has never been over, and his foxhole buddy Jake Burnett never far from his thoughts. At two crucial points in his life, as a young father and later as an old man at the dawn of a new and unfamiliar century, his memories draw him back until he must confront them and speak the truth. But at what cost?

From reader reviews:

Jody Vinson:

Why don't make it to be your habit? Right now, try to ready your time to do the important action, like looking for your favorite publication and reading a e-book. Beside you can solve your trouble; you can add your knowledge by the guide entitled Souvenir. Try to make book Souvenir as your good friend. It means that it can to become your friend when you feel alone and beside that of course make you smarter than ever before. Yeah, it is very fortunated for you personally. The book makes you more confidence because you can know everything by the book. So , we should make new experience along with knowledge with this book.

Debra Riggs:

The book Souvenir can give more knowledge and information about everything you want. Why must we leave a good thing like a book Souvenir? A few of you have a different opinion about guide. But one aim which book can give many information for us. It is absolutely proper. Right now, try to closer with the book. Knowledge or facts that you take for that, you are able to give for each other; you could share all of these. Book Souvenir has simple shape however, you know: it has great and big function for you. You can seem the enormous world by wide open and read a guide. So it is very wonderful.

Leslie Mickle:

Information is provisions for people to get better life, information currently can get by anyone at everywhere. The information can be a knowledge or any news even a huge concern. What people must be consider whenever those information which is inside former life are difficult to be find than now is taking seriously which one is appropriate to believe or which one often the resource are convinced. If you find the unstable resource then you buy it as your main information we will see huge disadvantage for you. All those possibilities will not happen in you if you take Souvenir as the daily resource information.

Thomas Hill:

Is it anyone who having spare time and then spend it whole day by watching television programs or just telling lies on the bed? Do you need something new? This Souvenir can be the solution, oh how comes? The new book you know. You are therefore out of date, spending your spare time by reading in this new era is common not a geek activity. So what these textbooks have than the others?
