## **War Dogs: Tales of Canine Heroism, History, and Love** Rebecca Frankel

In *War Dogs*, Rebecca Frankel offers a riveting mix of on-the-ground reporting her own hands-on experiences in the military working dog world, and a look at the science of dogs' special abilities—from their amazing noses and powerful jaws to their enormous sensitivity to the emotions of their human companions. Her narrative gives us insight into the world of dogs in combat and the touching aspect of the relationship between soldiers and their dogs.

Frankel explores the long, rich history of dogs in the US military, from the spirit-lifting mascots of the Civil War to the dogs still leading patrols hunting for IEDs today. Frankel not only interviewed handlers who deployed with dogs in wars from Vietnam to Iraq, but top military commanders, K-9 program managers, combat-trained therapists who brought dogs into war zones as part of a preemptive measure to stave off PTSD, and veterinary technicians stationed in Bagram. She makes a passionate case for maintaining a robust war-dog force.

In this special edition adapted specifically for a younger audience, Rebecca Frankel gives further insight into her work as a journalist and how it led her to explore the world of dogs and their handlers. With a compelling cast of humans and animals, this moving book is a must read for all dog lovers.
