Work and Pay in 20th Century Britain

Work and Pay in 20th Century Britain

From assembly line to call centre, this volume charts the immense transformation of work and pay across the 20th century and provides the first labour focused history of Britain. Written by leading British historians and economists, each chapter stands as a self-contained reading for those who need an overview of the topic, as well as an introduction to and analysis of the controversies among scholars for readers entering or refreshing deeper study.

The 20th century was a period of unrivalled change in the British labour market. Technology, social movements, and political action all contributed to an increased standard of living, while also revolutionizing what workers do and how they do it. Covering a range of topics from lifetime work patterns and education to unemployment and the welfare state, this book provides a practical introduction to the evolution of work and pay in 20th century Britain.

Lucia Stevenson:

As a college student exactly feel bored to reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just small students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Work and Pay in 20th Century Britain can make you feel more interested to read.
