How do we find meaning in our life? This book explores how Martin Buber, one of the 20<sup>th</sup> century's greatest religious thinkers, answers this timeless question. Author Kenneth Paul Kramer explains Buber's Hasidic spirituality—a living connection between the human and the divine—and how it is relevant to all spiritual seekers.

According to Buber, we find meaning in life through wholeheartedly “letting God in.” He developed this theme through six thought-provoking talks originally published as *The Way of Man*. In *Martin Buber's Spirituality*, Kramer explains the accessible practices Buber outlined in these talks, shares the stories Buber used to illustrate each point, and explores how these teachings might apply in everyday life today.

The book features questions for personal or group reflection to help readers more fully explore Martin Buber's approach to spirituality, along with a glossary of key terms.
