**Possessions** Judith Michael

*She thought she knew her husband. She thought she knew herself. She was mistaken on both counts....*

When Katherine Fraser's husband vanishes, she discovers that he has hidden his past from her...but when his wealthy family finds her and sweeps her into a world of power and luxury, the fearful, dependent wife is gradually transformed into a vibrant, glamorous woman. From San Francisco to Paris to the Côte d'Azur, Katherine tastes the romance and elegance of a world she never had dreamed possible. Suddenly, her husband returns, and forces her to choose: whether to embrace the past, or to plunge into a richly exciting new life,

and a deep, passionate new love.

*When a woman gets a second chance, should she be loyal to the life she had before?* Judith Michael explores this intriguing question in the unforgettable bestseller *Possessions*.
