Sedom - Indebidamente tuyo (Salir del armario) (Spanish Edition) Marisa Rubio

«Una novela llena de emoción y de talento narrativo. Una hermosa, firme, conmovedora historia de amor en medio de las circunstancias más crueles, oscuras, difíciles y vergonzosas que se han dado en la historia reciente de la Humanidad. Ser judío y homosexual en la Polonia invadida por los nazis no eran las mejores referencias para amar y ser amado, pero Yoel y Andrzej se aman como a todos y a todas nos gustaría amar y que nos amasen. Por eso esta novela se hace inolvidable. Porque nos hace vivir y revivir las amarguras y los gozos de todo amor largamente prohibido y perseguido. Y porque Marisa Rubio cuenta ese amor, y todo lo que lo rodea —el ghetto de Varsovia, la resistencia, las historias de hombres y mujeres que provocaron o, sobre todo, padecieron aquel horror— con una sabiduría extraordinaria.»

Eduardo Mendicutti

Varsovia, 1940. Los planos del muro del ghetto se van dibujando al tiempo que se abren camino las voces de la intolerancia. Nadie podrá permanecer ajeno a ellas. Mientras los ladrillos elevan el muro que encierra la «zona de epidemia», los acontecimientos comienzan a sucederse sin tregua, desgarrando las vidas de miles de personas. Las de Yoel Bilak y Andrzej Püschel entre ellas.

«No es igual de comprometido ser judío a secas, que ser judío, homosexual y novio de un polaco alemán. Eso ya roza el disparate de los riesgos que uno debe asumir en la vida», le había dicho su amiga Gaddith a Yoel. A pesar de todo, Andrzej y Yoel vivirán la intensidad de una relación inconveniente en la oscuridad de un tiempo y un lugar equivocados.

Llevada por el transcurrir de la Historia, la novela relata el amor prohibido y oculto entre estos dos jóvenes y el grito colectivo del personaje histórico, el Ghetto, que sobrevive a la propia vida y convulsiona bajo el yugo nazi que lo despedaza.

Sin embargo, pese al dramático contexto, las páginas de la novela se ven también impregnadas de un espíritu de ánimo y resistencia, del humor amargo e irónico de tiempos aciagos y de la velada esperanza que se mantiene a salvo entre los muros de esa Sedom. «Porque Sedom está allá donde vosotros estéis, y volveréis a levantarla cada vez que caiga. Porque Sedom es, en cualquier caso, vuestro hogar.»

The Enjoyable blend here cannot be questionable, just like treasuring beautiful island. Use you still want to miss that? Find this book in addition to read it from currently!

Jeanne Newman:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just very little students that has reading's heart or real their interest. They just do what the trainer want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that looking at is not important, boring along with can't see colorful pics on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this Sedom - Indebidamente tuyo (Salir del armario) (Spanish

Edition) can make you experience more interested to read.
