Rangers have more than 100 trophies to the club's credit in an illustrious history - but only one of those prizes has been claimed on foreign shores. The triumph over Moscow Dynamo in the 1972 European Cup Winners' Cup final in the Nou Camp stadium is the achievement Ibrox teams have been attempting to emulate for decades since that famous win. To Barcelona and Beyond charts the twists and turns of that celebrated European campaign and tells the real story, in the players' own words, of the men who made it happen. Through a unique collection of interviews with all eleven of the Barca Bears and comprehensive biographical profiles, Paul Smith charts the journey of a group of home-grown players who went on to propel Rangers to continental glory - and just where football's rollercoaster has taken them in the years that have followed. Each player had a major part to play in that most memorable of nights and each tells their story. With additional material studying the experiences of the army of travelling supporters and examining the business aspect of the 1972 triumph, To Barcelona and Beyond pays a lasting tribute to one of the greatest occasions in Scottish football.
