# The Forbidden Game: Golf and the Chinese Dream

*Dan Washburn*

**The Forbidden Game: Golf and the Chinese Dream** Dan Washburn  
*Financial Times* Best Book of 2014

It's still known as the "rich man's game" and considered taboo, and yet golf is booming in China — hundreds of new courses have opened in the past decade, despite it being illegal for anyone to build them. Award-winning journalist Dan Washburn follows the lives of three men intimately involved in China's bizarre golf scene. We meet Zhou, a peasant turned golf pro who sees the game as his way into China's new middle class; Wang, a lychee farmer whose life is transformed when a massive, top-secret resort springs up next door; and Martin, a Western executive maneuvering through a highly political business environment, ever watchful for Beijing's "golf police."

Charting these three different paths to the new Chinese Dream, *The Forbidden Game* is a rich and arresting portrait of a country of contradictions.

#### **Bruce Herrera:**

Here thing why that The Forbidden Game: Golf and the Chinese Dream are different and reliable to be yours. First of all studying a book is good but it depends in the content of the usb ports which is the content is as yummy as food or not. The Forbidden Game: Golf and the Chinese Dream giving you information deeper and different ways, you can find any guide out there but there is no e-book that similar with The Forbidden Game: Golf and the Chinese Dream. It gives you thrill reading journey, its open up your own eyes about the thing that happened in the world which is possibly can be happened around you. You can actually bring everywhere like in recreation area, café, or even in your means home by train. Should you be having difficulties in bringing the published book maybe the form of The Forbidden Game: Golf and the Chinese Dream in e-book can be your alternate.

#### **Marilyn Urquhart:**

Nowadays reading books be than want or need but also work as a life style. This reading habit give you lot of advantages. Associate programs you got of course the knowledge your information inside the book that improve your knowledge and information. The knowledge you get based on what kind of publication you read, if you want have more knowledge just go with knowledge books but if you want truly feel happy read one using theme for entertaining including comic or novel. The actual The Forbidden Game: Golf and the Chinese Dream is kind of reserve which is giving the reader unstable experience.

#### **Douglas Brim:**

That publication can make you to feel relax. This specific book The Forbidden Game: Golf and the Chinese Dream was bright colored and of course has pictures on there. As we know that book The Forbidden Game: Golf and the Chinese Dream has many kinds or genre. Start from kids until teenagers. For example Naruto or Detective Conan you can read and believe you are the character on there. Therefore not at all of book are make you bored, any it can make you feel happy, fun and chill out. Try to choose the best book for you and try to like reading that.
