Hooking up with a vampire has its risks-but getting pregnant usually isn't one of them. Tell that to Brittany Baldizzi, who finds herself in the family way with no father in sight. After their one night of passion, vampire Corbin Jean Michel disappeared off the face of the earth-or at least off the Vegas strip.

Corbin is a vampire with a cause, secretly trying to find a cure for his condition. But when he finds out Brittany is pregnant with his child, Corbin can't keep his paternal instincts from trumping his bloodsucking ones. Even when showing his hand could cost him the woman he can't help but love.
