Culture and Customs of Honduras (Cultures and Customs of the World) Janet N. Gold

This comprehensive look at contemporary life in the small Latin American nation allows high school students and general readers to explore the many facets of Honduran life and culture. More and more Hondurans and scholars today are becoming aware of the diversity in the nation, and are realizing that rather than a single, homogeneous culture, Honduras is made up of many different cultures. Gold incorporates this contemporary cultural consciousness in her treatment of Honduras's regional and linguistic diversity as well as in her descriptions of Honduras's indigenous communities. Key elements of the work include a look at national identity and cultural diversity, as well as an in-depth study of indigenous Honduras. Other chapters examine religion, as well as daily routines, cuisine, dress, media, sports, festivals, literature and oral storytelling, traditional crafts, visual arts, and music and dance. Ideal for high school students studying world culture, Latin American studies, and anthropology, as well as for general readers interested in the subject, *Culture and Customs of Honduras* is an essential addition for library shelves.

From reader reviews:

Brandon Erickson:

Book will be written, printed, or highlighted for everything. You can know everything you want by a guide. Book has a different type. As we know that book is important matter to bring us around the world. Adjacent to that you can your reading talent was fluently. A reserve Culture and Customs of Honduras (Cultures and Customs of the World) will make you to always be smarter. You can feel much more confidence if you can know about every little thing. But some of you think which open or reading a book make you bored. It is not make you fun. Why they are often thought like that? Have you seeking best book or ideal book with you?

Norma Eberhart:

A lot of people always spent their free time to vacation or perhaps go to the outside with them family or their friend. Do you know? Many a lot of people spent they free time just watching TV, or playing video games all day long. If you need to try to find a new activity here is look different you can read the book. It is really fun for you personally. If you enjoy the book you read you can spent all day long to reading a book. The book Culture and Customs of Honduras (Cultures and Customs of the World) it is rather good to read. There are a lot of those who recommended this book. These were enjoying reading this book. In case you did not have enough space bringing this book you can buy the e-book. You can m0ore quickly to read this book from your smart phone. The price is not too expensive but this book has high quality.

John Threadgill:

People live in this new moment of lifestyle always make an effort to and must have the time or they will get lots of stress from both way of life and work. So , when we ask do people have time, we will say absolutely without a doubt. People is human not just a robot. Then we request again, what kind of activity are you experiencing when the spare time coming to you of course your answer will probably unlimited right. Then ever try this one, reading books. It can be your alternative within spending your spare time, often the book you have read is usually Culture and Customs of Honduras (Cultures and Customs of the World).

Marianne Button:

This Culture and Customs of Honduras (Cultures and Customs of the World) is great e-book for you because the content that is full of information for you who all always deal with world and possess to make decision every minute. That book reveal it details accurately using great manage word or we can claim no rambling sentences included. So if you are read the idea hurriedly you can have whole info in it. Doesn't mean it only provides you with straight forward sentences but tough core information with attractive delivering sentences. Having Culture and Customs of Honduras (Cultures and Customs of the World) in your hand like obtaining the world in your arm, information in it is not ridiculous one. We can say that no book that offer you world inside ten or fifteen tiny right but this publication already do that. So , this is certainly good reading book. Hey Mr. and Mrs. busy do you still doubt which?
