Night and Day

Rowan Speedwell

Night and Day Rowan Speedwell
2nd Edition

Nate Pederowski is about as far down as he can go when he's tipped to a job as a singer in a speakeasy. Dishonorably discharged for being queer, broke and homeless during the Great Depression, Nate is embittered and lonely. The club's handsome owner, Rick Bellevue, and his sister Corinna are wowed by Nate's voice and offer him the job.

But the Starlight Lounge is much more than an ordinary supper club, and Rick and his sister much more than just the owners. It's not 'til Nate gets caught up in a gangster's plot that he discovers just what secrets they're hiding. Nate's life is going to change in ways he can scarcely imagine, let alone believe.

1st Edition published by Dreamspinner Press, 2010, in the Myths and Magic: Legends of Love anthology.

From reader reviews:

Denise Zimmerman:

Nowadays reading books become more than want or need but also get a life style. This reading practice give you lot of advantages. The benefits you got of course the knowledge your information inside the book in which improve your knowledge and information. The data you get based on what kind of e-book you read, if you want get more knowledge just go with education books but if you want feel happy read one along with theme for entertaining including comic or novel. The actual Night and Day is kind of publication which is giving the reader unpredictable experience.

Arthur Daniel:

This Night and Day is great book for you because the content which is full of information for you who always deal with world and possess to make decision every minute. This book reveal it data accurately using great plan word or we can point out no rambling sentences within it. So if you are read this hurriedly you can have whole facts in it. Doesn't mean it only provides straight forward sentences but difficult core information with beautiful delivering sentences. Having Night and Day in your hand like finding the world in your arm, details in it is not ridiculous a single. We can say that no guide that offer you world in ten or fifteen second right but this book already do that. So , it is good reading book. Hello Mr. and Mrs. active do you still doubt that will?

Janet Warren:

Do you like reading a book? Confuse to looking for your preferred book? Or your book had been rare? Why so many question for the book? But any people feel that they enjoy to get reading. Some people likes examining, not only science book but also novel and Night and Day or maybe others sources were given understanding for you. After you know how the great a book, you feel want to read more and more. Science reserve was created for teacher or maybe students especially. Those guides are helping them to put their knowledge. In other case, beside science book, any other book likes Night and Day to make your spare time more colorful. Many types of book like this.

Allison Larson:

Some people said that they feel weary when they reading a guide. They are directly felt the idea when they get a half areas of the book. You can choose the particular book Night and Day to make your current reading is interesting. Your current skill of reading talent is developing when you similar to reading. Try to choose simple book to make you enjoy to learn it and mingle the opinion about book and studying especially. It is to be first opinion for you to like to available a book and examine it. Beside that the book Night and Day can to be your brand-new friend when you're really feel alone and confuse with the information must you're doing of that time.
