## **Plan C: Just in Case (Bloomsbury Reader)** Lois Cahall

A screwball comedy with a heart. Thelma & Louise go to Europe. A revenge on midlife crisis.

Plan A: We grow up, get married, have babies, white picket fence.

Plan B: Mortgages, marriages, mistresses, divorce, my kids, his kids, stepkids, blended families. College tuition. Empty nest. Empty soul.

Plan C: Cabernet, passports, jet lag, Ambien, Europe. Who needs reality?

Until we realize reality can't be avoided. And truth is, we don't want to avoid it. We are a nation of underdogs - a society of hope. Plan C is accepting life as it comes, with no plan at all.

Once upon a time there was a divorced, single mother named Libby Crockett, living and working her fingers to the bone on Cape Cod. Her Plan A had failed, and now she dreamed of a new life and a new love -- her Plan B. And Plan B worked! It brought her to glamorous New York to a new man, a new life...and his expensive ex, his out-of-control kids, and the biggest recession in 70 years. Was this really what Libby had been dreaming of? Maybe it was time for *Plan C*...
