The Spider's House: A Novel

Paul Bowles

The Spider's House: A Novel Paul Bowles

Set in Fez, Morocco, during that country's 1954 nationalist uprising, *The Spider's House* is perhaps Paul Bowles's most beautifully subtle novel, richly descriptive of its setting and uncompromising in its characterizations. Exploring once again the dilemma of the outsider in an alien society, and the gap in understanding between cultures—recurrent themes of Paul Bowles's writings—*The Spider's House* is dramatic, brutally honest, and shockingly relevant to today's political situation in the Middle East and elsewhere.
