**Why We Want You To Be Rich: Two Men • One Message** Donald J. Trump, Robert T. Kiyosaki

Donald Trump and Robert Kiyosaki wrote Why We Want You To Be Rich because they saw how the turbulent economic climate would impact the middle class. They predict the middle class in America will continue to shrink—pushing most middle-class Americans into the ranks of the poor. This book inspires middle-class Americans who believe that the American Dream is alive and well to take control of their lives... and take charge of the one thing they have total control over: themselves.
