**Demonstrating the love of God...one child at a time**

Without help many children, families, communities, and nations in our world are destined for despair, pain, and destruction. But the most important thing we can give them is not food, medicine, education, or any other material resource. It is hope.

Rob Hoskins has shared God's good news with more than 850 million children and youth through his nonprofit, OneHope. In *Hope Delivered* he tells the miraculous stories of people, families, and communities whose lives have been transformed. When God's Word is discovered, engaged, and lived out, especially by children who hold the future in their hands and have a God-given disposition *toward* hope it changes destinies.

All royalties from the sale of this book will go to the ministry of OneHope.
