Your body is an instrument.

No, it's not a flute, or a guitar (I hope).

It is a sacred and original design by a master craftsman with a specific plan and purpose.

That's a pretty big deal.

From head to foot, the way you view your body is directly connected to how you serve God. Seriously. From the thoughts you think to the steps you take, every part of you is linked to the divine.

Perhaps you are struggling with your body image or are trying to make sense of why God made you as you are. Maybe you are looking for new ways to understand Scripture or to love God more fully. Either way, this book will take you on a thoughtful, funny, and spirit-filled exploration of the way you were designed and will help you better honor the Creator by learning to value his perfectly unique creation (yourself!).
