**Southampton Cottages of Gin Lane, The: The Original Hamptons Summer Colony** Sally Spanburgh  
Founded in 1640 on the eastern end of Long Island, Southampton is New York's oldest English settlement. In its seaside scenes and structures, it still exudes importance and historicism. Nowhere is this grandeur more evident than among the residences associated with its original summer cottagers. Many of these splendid homes have graced the village's estate area since the 1880s and have been frequented by names still famous today, such as Gloria Vanderbilt and Henry Ford II. They survived Long Island's devastating hurricane in 1938 and witnessed the ebb and flow of trends in style, culture and design. Local author Sally Spanburgh uses her historical and architectural expertise to tell the stories behind the construction, preservation and lives of these historic structures, beginning with those found on the exclusive Gin Lane.
