The History of Basque R. L. Trask

Basque is the sole survivor of the very ancient languages of Western Europe. This book, written by an internationally renowned specialist in Basque, provides a comprehensive survey of all that is known about the prehistory of the language, including pronunciation, the grammar and the vocabulary. It also provides a long critical evaluation of the search for its relatives, as well as a thumbnail sketch of the language, a summary of its typological features, an external history and an extensive bibliography.
